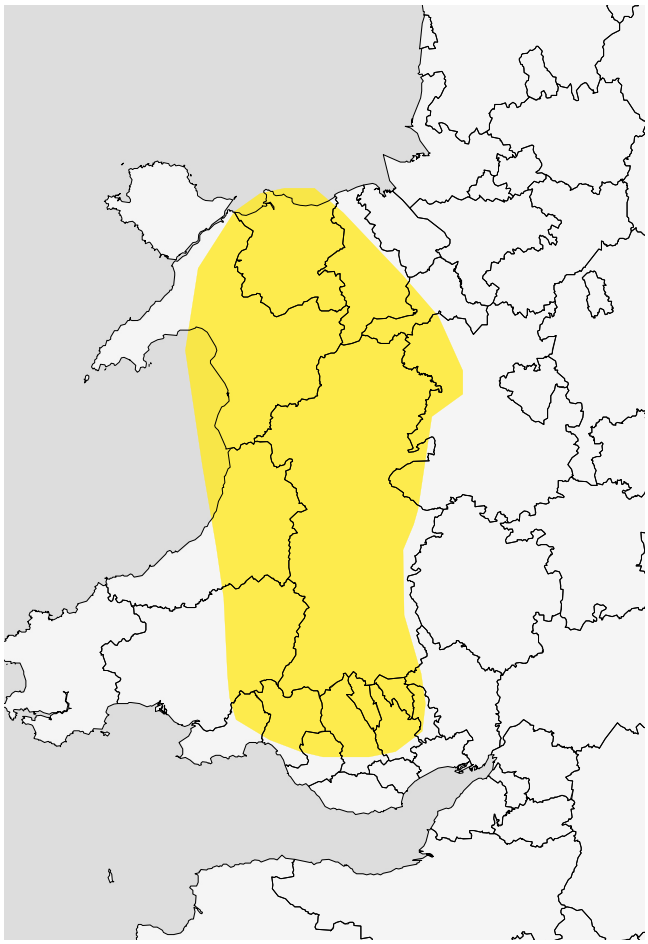
Yellow warning
Rain

Between
06:00 Tue 10 Jan 2023 and
20:00 Tue 10 Jan 2023



Persistent heavy rain may lead to some disruption on Tuesday.

What to expect

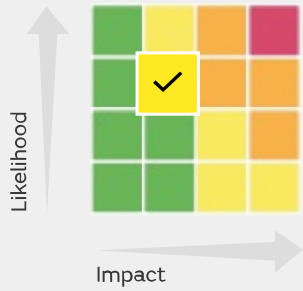
- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services possible

Further details

Outbreaks of rain will spread across England and Wales during Tuesday. This will be heaviest and most persistent across parts of Wales, particularly over higher ground. Rainfall totals of 80-100 mm could accumulate over high ground.

Reason for update

Updated to remove reference to Snowdonia.



Medium likelihood of low impacts
